

## Grade One Supply List

Bowden Grandview School

Dear Parents,

The 2021-22 school year is fast approaching. I am looking forward to spending your child's Grade One school year with them. Following, please find the list of supplies your child will need to bring on the first day of school.

- 1 package of good quality HB pencils (sharpened). No plastic coated pencils please. It pays to pay a little more!
- 3 white erasers
- 1 pair of scissors (Fiskar is a good quality scissor)
- 2 packages of crayons (16 colours is adequate)- 1 package of wax crayons and 1 package of thick Crayola twistables not thin please and regular colours please!
- 1 package of 8-10 thick felt-tipped markers. Regular colours please!
- 4 large glue sticks ( Ross or Elmers)
- 3 black whiteboard markers
- Highlighter marker (any colour)
- 1 package of 10 plastic sheet protectors
- 2 pencil cases (one for crayons and markers/one for scissors, glue, pencils, etc.) The surface of the pencil cases have to be hard surfaced for sanitation purposes- supply box.
- 3 large ziplock bags (please don't label)
- Headphones (not earbuds)
- 1 pair of indoor running shoes (with laces - Students must learn to tie at home) Velcro is fine if your child is still learning to tie his/her shoes.
- Backpack or shoulder bag , lunch kit and water bottle
- One pair of pants and socks for those wet "oops" days from playing outside. Please send them in a ziplock bag labelled with your child's name.
- \$5.00 (I will purchase the tripod pencil to start the year, notebooks, playdough, pocket folders, duotangs, etc. from a school supplier for you as they are much cheaper and better quality than those found in the stores. That way they will all be the same and they will be ready for the children when they arrive on their first day).

### **Possible Classroom Donation Items (every little bit helps!)**

- boxes of kleenex                      - plastic spoons

**It is very important that you print your child's name on all items and send all items on the first day of school.** Extra supplies will be kept in a ziplock bag at school to be used as needed and any unused supplies will be returned at the end of the school year. Thank-you and I look forward to working with all of you again in the fall! Have a great summer!

Mrs. Frank
