## DANCE

Junior Senior Halloween Dance (grade 7-12) on Thursday October 20th from 6:30 - 9:30 pm. Wear your best Halloween costume for a chance to win a prize! Snacks will be available for purchase. The cost is \$5 at the door. Hope to see you all there!

Parents **PLEASE DO NOT** let your kids run out from cars to cross the street during pick up and drop off. Ideally if you could drop them off on the north side of the road west of the bus zone and have the children use the sidewalk side to exit the vehicle.

If using the south side of the road, please have them carefully use the crosswalks to get from one side of the street to the other. We have had a couple of close calls with kids darting out between buses or vehicles and not using the crosswalks.

Additionally, a reminder not to stop and drop your children off in the middle of the road but to pull up to the north curb

west of the bus stop area.

Drivers please continue to exercise extreme caution when navigating the road in front of our school and

keep your speed to 30 km or less. Please be extra

watchful in case we do have a child pop out from

between vehicles. Thank you for your cooperation.

Your child's safety is our first priority!

## Bowden Grandview Annual Turkey Hunt

This year, the annual grade 8 Turkey Hunt was a go! With a couple of years' absence (due to Covid), the grade 8's were more than happy to run around and be chased by the BGS staff! Feathers were collected and frozen turkeys were won! The winners were Miss Severtson and Seth Allen!

A very special THANK YOU to the Mustard Seed for the donation of gift cards and delicious fresh vegetables given to various families this year for Thanksgiving!

Grade One displayed their creative ability with a whole village of 'Leaf People'

# Literacy Corner

Graphic novels have grown in popularity for good reason! There are many benefits to reading them, and best of all, they have the power to engage and excite children about reading! There are graphic novels available for any age reader including this new batch of graphic novels for newly independent readers.

**Cranky Chicken** is, well, cranky. With one cranky eyebrow, cranky eyes, and even cranky, scratchy feet. But then one day, Cranky meets a very friendly worm named Speedy who wants nothing more than to be friends. Check out Katherine Battersby's illustrations and story today!

What child doesn't love Melanie Watt's **Scaredy Squirrel** stories? **Scaredy Squirrel** is back with a brand-new graphic novel series! He's funnier (and scared-ier) than ever, and perfect for readers of Narwhal and Jelly.

From Caldecott Honoree and two-time Geisel Award–winning author-illustrator Corey R. Tabor, this is a fresh and funny young graphic novel series sure to delight readers. Please welcome, **Sir Ladybug**!

It's official, there is a new fall book that you **MUST READ!** **If you find a leaf** is a gorgeous celebration of imagination and creativity. Using stunning photographs of leaves paired with watercolours, ink, and charcoal drawings, Aimee Sicuro skillfully demonstrates how a leaf can be transformed into a variety of objects.

# Indigenous Education

Michaela Goade is known for her work on picture books about Indigenous people. She won the 2021 [Caldecott Medal](#) for her illustrations in [We Are Water Protectors](#) and is the first Indigenous artist to receive the award. Her new story, **Berry Song**, is about a girl and her grandmother who gather gifts from the earth. Salmon from the stream, herring eggs from the ocean, and in the forest, a world of berries. Through the seasons, they sing to the land as the land sings to them.

## Purpose

Family Resource Network (FRN) focuses on prevention and early intervention services for families and youth aged 0-18 years. Funded by Alberta's Ministry of Children's Services, FRN believes that as long as a child is safe, they can achieve their greatest potential within their family unit. FRN educates parents and caregivers about child development, provides social supports, and offers coping and problem-solving skills in order to build resiliency and success within families and communities.

## Process

Through a "hub and spoke" service delivery model, FRNs (hubs) coordinate delivery of all programs and services, which are accessed either directly through a hub or via collaborative partnerships and agencies (spokes). FRN offers programs geared towards early childhood development, child and youth development, parent education, family support, and home visitation. "Hubs" may deliver all services, coordinate independent "spoke" services, or empower "spoke" services to support more than one FRN "hub" throughout certain regions.

## Outcomes

Using evidence-based and informed models, FRN employs a continuum of prevention and early intervention services to ensure that parents, caregivers, and children receive the care and tools they need to create strong family units, foster sense of belonging to a larger community, and thrive.

Program funded by:  
Alberta's Ministry of Children's Services

Our **Family Resource Network Services** are available for all Albertans with children aged 0 - 18.

Services include:

### **Early Childhood Development**

Early Childhood Development will serve families with children aged 0-6. Child activities will be directly related to: Fine Motor Skills, Gross Motor Skills, Communication Skills, Problem Solving Skills and Personal-Social Skills. Programs will include staff supervised Parent/Child Play; Developmental Screening Sessions with Ages and Stages Questionnaires; and Supported Play Sessions where collaborative partners (Occupational Therapists, Speech Pathologists) attend to assist parents with questions and strategies for improved developmental outcomes.

### **Family Support**

Family Support will serve families with children and youth aged 0 - 18. Programming is intended to build parental/caregiver resiliency and is focused on the family unit to promote family wellness. Programs are flexible and goal oriented to fit each family's specific needs with a focus on strengthening protective factors and reducing risk factors for all members of the family.

### **Home Visitation**

Home Visitation will serve families with children aged 0-6. This program is designed to support families in providing a nurturing, stimulating and safe environment for their children from prenatal until the child turns six. Families with new babies participate in home visitation services by trained staff in a way that meets their specific needs.

### **Child and Youth Development**

Child and Youth Development will serve families with youth aged 7 - 18. Program examples are social skills groups, life skills groups, anger management groups, coping skills groups and youth leadership development.

### **Parent Education**

Parent Education will serve families with children and youth aged 0-18. Parent education curriculums used are empirically supported and evidence based. Further examples of programming include Connect, Kids Have Stress To Go, Triple P, Circle of Security and Active Parenting.
