Bowden Grandview School Council 2022-2023

The School Council at BGS is a group of parents, administrators, the Town of Bowden, our Ward 5 School Board Trustee and other community stakeholders that meet monthly to discuss ideas related to the school. It provides a forum to discuss concerns, celebrate successes, and plan for the future. The School Council through The Friends of Grandview (FOG) also supports fundraisers for a number of enrichment programs.

The School Council is committed to offering a number of ways to get involved. Being a parent volunteer is one more way to stay connected and involved in your child's educational experience. The activities you choose to undertake do not have to be overly time-consuming. We welcome new members and volunteers to come out to our council. Our next meetings are **May 16th and June 20th at 12:00pm.** You can make a difference!

Chinook's Edge Staff are planning ahead for the upcoming year

In Mid August Chinook's Edge will be sending home your Annual Demographic Update which will be called "Annual Re Enrollment and Consents" for the 2023-2024 year. The form will need to be completed and submitted prior to the start of the school year.

The form will ensure your registration and certain consents for the upcoming school year

We have combined forms together into one to make the start of the school year a little easier for you.

The form contains a Walking field trip, Technology, Media and FOIP consents that has to be completed every year before your child can participate in these activities,

We are wanting parents and guardians to ensure that they can sign into their PowerSchool parent portal account before the end of the year. If you are having troubles with your username or password, please contact your school before the end of May to get help.

*This is for all Kindergarten to grade 12 students
If you have verified that you can sign in, please disregard this message*

Indigenous Literature

For generations, many Indigenous groups and communities have celebrated their culture and heritage on June 21 or around that time of year because of the significance of the summer solstice as the longest day of the year.

National Aboriginal Day, now National Indigenous Peoples Day, was announced in 1996 by then Governor General of Canada, Roméo LeBlanc, through the Proclamation Declaring June 21 of Each Year as National Aboriginal Day.

This day is an annual reminder for people across Canada to recognize and celebrate the unique heritage, diverse cultures and outstanding contributions of First Nations people, Inuit and Metis.

There are fabulous books for readers young and old to appreciate on National Indigenous Day and everyday:

This number 1 National Bestseller, penned by the founder of Indigenous Corporate Training Inc, Bob Joseph, is based on a viral article. 21 Things You May Not Know About the Indian Act is an essential guide to understanding the legal document and its repercussions on generations of Indigenous Peoples.

Julie Flett is a Cree-Métis author, illustrator, and artist, and has received numerous awards for her work, including a Governor General's Award and the American Indian Library Association Award.

Published by Viking Books, Fred Sasakamoose's groundbreaking memoir sheds piercing light on Canadian history and Indigenous politics. The book follows Sasakamoose's journey to reclaiming pride in identity and heritage that had previously been used against him.

Ayahkokopawiyiyin or Fred Sasakamoose was born in 1933, on what is now called Ahtahkakoop Cree Nation in Saskatchewan. Fred is known as the first Indigenous player with Treaty status to play in the NHL. When he retired, he devoted his time to activism in order to improve the lives of Indigenous Peoples through the power of sport.
