Literacy Corner

International Dot Day is celebrated every year on the 15th of September. This holiday was created as a way of celebrating creativity, courage, and collaboration. The whole event is inspired by a children's book called 'The Dot', which is written by Peter H. Reynolds.

THE DOT is a story about a dejected young girl who doesn't believe that she can draw—that is, until her teacher encourages her to make a mark and see where it takes her. This powerful selection inspires self-confidence and creativity!

Celebrate **International Dot Day** this Friday by wearing Polka Dots.
