#neverforget

Orange shirt day is a movement that officially began in 2013 but in reality, it began in 1973 when six-year-old Phyllis Webstad entered the St. Joseph Mission Residential School, outside of Williams Lake, BC. Young Phyllis was wearing a brand new orange shirt for her first day of school - new clothes being a rare and wonderful thing for a First Nation girl growing up in her grandmother's care - but the Mission Oblates quickly stripped her of her new shirt and replaced it with the school's institutional uniform.

While she only attended for one year, her time in residential school affected Ms. Webstad's life for many years.

**On Monday, September 29th, join Bowden Grandview School in wearing an orange shirt to honour the Indigenous children who were taken to attend residential schools in Canada.**

## RDP Parent Night

RDP often has the opportunity to visit students, but we feel it's equally important to communicate with parents. For this reason, we are offering an information session for parents to attend along with their high school students.

This will take place on **Thursday, October 16** from 7-8pm at Red Deer Polytechnic. We will discuss program options including trades, the registration process, funding, scholarships and important dates and deadlines. Please share this information with your students and school community. Registration is requested. The registration QR code is available in the attachment. Seating is limited

### HAPPY BIRTHDAY

So what if nobody came?  
I'll have all the ice cream and tea,  
And I'll laugh with myself,  
And I'll dance with myself,  
And I'll sing, "Happy Birthday to me!"

Happy Birthday, **Bob Staake**! (September 26) Bob is an American illustrator, cartoonist, children's book author and designer.

## Indigenous Education

"Autumn Petite Poems" refers to the children's picture book *Autumn (Petite Poems)*: A picture book by Muscogee poet Alexander Posey, which uses illustrations by Paige Pettibon to celebrate autumn and encourages young readers to create their own poetry.

Go on an enchanting journey with *The Twelve Days of Autumn*, where each day reveals the wonders of wildlife and nature's vibrant transformations in this delightful seasonal twist on a classic tale!

This companion to *Twelve Days of Winter* is another book to read or sing along with children. In *Twelve Days of Autumn*, each day reveals the wonders of wildlife and nature's vibrant transformations as we ease into fall. Observe how animals prepare for colder months in this seasonal twist and reimagined version of "The Twelve Days of Christmas," celebrating wildlife. "On the first day of autumn we looked around to see a wild turkey trotting down the trail."
